UNSTARRED QUESTION NO:1318
ANSWERED ON:26.02.2003
NGOS ROLE IN AIDS CONTROL
KAILASH MEGHWAL

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the total number of NGOs working in the field of AIDS control programme, State-wise;

(b) the details of the financial assistance given to each one of them during the last three years, till date; and

(c) the manner in which their work is monitored by the Union Government?

Answer

MINISTER OF HEALTH AND FAMILY WELFARE AND PARLIAMENTARY AFFAIRS (SMT. SUSHMA SWARAJ)

(a) List is at Annexure `A`.

(b) The funding of NGOs for HIV/AIDS Prevention and Control has been decentralized to the respective State AIDS Control Societies since April 2001. National AIDS Control Organisation sanctions grants to NGOs directly only for Community Care Centres in low prevalence States. NACO is currently funding only five Community Care Centres.

A statement indicating the funds sanctioned to NGOs by National AIDS Control Organisation during the last three years and till date, is placed at Annexure `B`.

(c) A detailed monitoring and evaluation system has been built into the process of implementation. A Computerised Management Information System and a Programme Finance Management System have been developed by the National AIDS Control Organisation. These systems and procedures ensure regular feed back from the NGOs through State AIDS Control Societies in respect of diverse parameters evaluated at regular intervals. Additionally, regular visits are made by the officers of State AIDS Control Societies (SACS) and the NGO Adviser.

Besides, NGOs are required to submit detailed activity reports and audited statements of expenditure. The accounts of the NGOs funded are also subject to audit by the Controller Auditor General from time to time.
